LIST OF ACCREDITED CONFORMITY ASSESSMENT BODIES
ON 2026-10-27

Pursuant to Article 7 of the Law on Establishing the Institute for Accreditation of Bosnia and Herzegovina ("Official Gazette BiH", br.10/02) Institute for Accreditation of B&H keeps register of accredited conformity assessment bodies with data of accreditation scope and range. Detailed description of the scope of accreditation can be obtained from accredited conformity assessment body or from the Institute for Accreditation of B&H.

NOTE – Statements in red that read "ACCREDITATION SUSPENDED or ACCREDITATION PARTLY SUSPENDED" signal suspension, one click on annex to accreditation i.e. "Annex" link enables a detailed view of suspended area. Suspended methods ae also marked in red.
